

Consistency Accountability Statement: Water Services (Exemption No. 005, Riverlands Industrial) General Exemption 2026

Agency responsible	Water Services Authority—Taumata Arowai
Portfolio	Local Government
Date finalised	2 October 2026

Statement of Review

I confirm that the Water Services Authority—Taumata Arowai has assessed the above legislation, and the process for developing it, for consistency with the principles of responsible regulation as set out in section 9 of the Regulatory Standards Act 2025.

This assessment identified no inconsistencies with the principles of responsible regulation.

Sara McFall

Acting Chief Executive
Water Services Authority—Taumata Arowai
